

Fiber Optic Products for FTTH, Telecom & Data Center Projects

Lumafyn supplies fiber optic cables, patch cords, MTP/MPO cabling, optical modules, AOC/DAC cables, ODF, adapters and FTTH accessories for global network projects.

MTP/MPO trunk cable

LC uniboot patch cord

Optical transceiver

MPO module box

Launch Product Families

MTP/MPO Trunk Cables

Pre-terminated trunk cable, data center transmission trunk, branch fiber patch cord.

Patch Cords & LC Uniboot

LC uniboot, standard fiber patch cord, waterproof and base station extension patch cord.

AOC & DAC Cables

AOC patch cord and DAC module options for short-reach high-speed interconnects.

Optical Transceivers

10G and 40G optical module product family for switch and server links.

Adapters & Fast Connectors

Fiber adapter, fiber loopback and fast connector products for installation and testing.

MPO Module Boxes

MPO pre-terminated module box for plug-and-play data center deployment.

High-Density Panels & Cabinets

High-density patch panel, MPO-MTP optical cabinet and distribution cabinet.

FTTH / ODN Accessories

Drop cable, terminal box, pigtails, splitters, clamps and installation accessories by RFQ.

How to Send an RFQ

Send product details, quantity and project requirements to sales@lumafyn.com. For custom assemblies or project-based sourcing, attach a drawing, BOM or reference model.

Information to include

- Product name or application scenario
- Connector type, polish type and fiber type
- Cable length, jacket material and color
- Quantity, package label and OEM/ODM requirement
- Target delivery time, destination and trade terms
- Drawing, BOM or reference model if available

Typical specification fields

Connector	LC, SC, FC, ST, MTP/MPO
Polish	UPC / APC
Fiber	OS2, OM3, OM4, G652D, G657A1/A2
Cable	0.9mm / 2.0mm / 3.0mm / custom
Jacket	PVC / LSZH / outdoor jacket by RFQ
Testing	Insertion loss and return loss by actual product data
